Real Merit

Is the characteristic of Hood's Sarsaparilla, and it is manifested every day in the remarkable cures this medicine accomplishes. Druggists say: When we sell a bottle of Hood's Sarsaparilla to a new customer we are sure to see him back in a few weeks after more—proving that the good results from a trial bottle warrant continuing its use. This positive merit

Hood's Sarsaparilla possesses by virtue of the Peculiar Combination, Proportion and Process used in its preparation, and by which all the remedial value of the ingredients used is retained. Hood's Sarsaparilla is thus Peculiar to itself and absolutely unequalled in its powers as a blood purifier, and as a tonic for building up the weak and weary, and giving strength to the nerves. Be sure to get

FOR SATURDAY SADNESS

ERTAINLY the members of the Executive Council cannot ever look inside the pages of current literature. Otherwise they should not persist in being the most stubborn resistors of the popular will regarding one little playground for children. Their excuses for inaction are more flimsy than any a school-marm would accept from the least diplomatic youngsters.

Dignity, discipline and devotion, on the part of the teachers, would make all our schools select. Remember the three D's.

Professor Koebele would do a fine turn for Honolulu if he brought back from his travels a beetle or batrachian that would destroy the gossip bug.

Baseball has been revived in Honolulu. Now it will not be out of place to restore the Fourth of July celebration to the status it held here before annexation.

If, as European publicists say, the American sovereign people were intoxicated with glory to have plunged the nation into the folly of war, then, sure, the rulers of Europe have been on a glorious spree all this century—not to go back further—to have kept their subject peoples immersed in the folly of war, and bogged deeply in the mire of militarism.

A cure for baldness published is to rub the spot with onions. It must have been an Englishman who made this discovery, starting on the theory that what would make the breath grow should make the hair grow, too.

How many men did David lick before he apologized for calling them all liars?

Dr. Wiley, chief chemist of the United States Department of Agriculture, testifies that fully ninety percent of the articles of food and drink manufactured in this country are frauds. Even coffee in the berry is adulterated. People will just have to boycott food and drink.

It would not do for the police of Honolulu to walk regular beats like those of other cities. They would soon all be crippled by slipping upon the fruit peel strewn along the pavements.

Some blatherskite free lance objects to an expression like, "He fell on his face," to describe a person's falling forward prone upon the ground. The same purist holds that when one had hurt one's knee, good English required that it should have been reported as hurting one's "leg." His shuddering at the word "knee" is no doubt on account of a performance to which his mind painfully reverts, when he took a posture involuntarily athwart his mammy's knees and her slipper went into commission on a war footing.

Once Tried, Always Used.
If we sell one bottle of Chamberlain's Cough Remedy, we seldom fail to sell the same person more, when it is again needed. Indeed, it has become the family medicine of this town, for coughs and colds, and we recommend it because of its established merits—JOS. E. HARNED, Prop., Oakland Pharmacy, Oakland, Md. Sold by all dealers. Benson, Smith & Co., General Agent.

Ninety Per Cent.

Of the people are afflicted with some form of humor, and this causes a variety of disease. The reason why Hood's Sarsaparilla cures when all others fail is found in the fact that it effectually expels the humor. Scrofula, salt rheum, boils and all eruptions are permanently cured by this great medicine.

Hood's Pills are the best family cathartic and liver tonic. Gentle, reliable, sure.
